Contents	Contains: nonionic surfactants: 15-30 %
Ingredients	Water Ethoxylated alcohols, C16-18 Fatty acid ester 2-(2-butoxyethoxy)ethanol Alkydglucoside Alanine, N,N-bis(carboxymethyl)- sodium salt

Application data

Remarks

JOTUN Penselrens should be used unthinned for best result.

The components in **JOTUN Penselrens** are strong so avoid long lasting skin contact. Avoid contact with eyes. In case of contact with the eyes, rinse thoroughly with large amounts of fresh water.

Directions for use

Wipe off most of the paint from the tool. Pour a suitable amount into a tin/box and rub the brush cleaner thoroughly into the brush. Rinse with water.

If the brush is hard then leave soaked in the agent for a longer period and rinse with water. In difficult cases, repeat treatment.

After thorough cleaning **JOTUN Penselrens** should be applied to the brush. Rinse thoroughly with water and dry properly before using the brush again.
Store brushes horizontally.

Maintenance

Storage

Frost free freight and storage. In storage and in transport keep the container upright. Keep out of the reach of children.
