

JOTUN Penselrens (2019)

Product description

Type

JOTUN Penselrens (2019) is an effective cleaning agent for all types of paint tools.

Features and benefits

Especially designed for removal of paints from brushes. Causes little harm to the environment and is easy biodegradable.

Recommended use

JOTUN Penselrens (2019) can be used for cleaning most types of paint applicators. Well suited for removing traditional and modern paint types from the brush. Also suitable for one-component leisure boat products. Not suitable for epoxy paints.

JOTUN Penselrens can be used to keep the brushes soft over time. **JOTUN Penselrens (2019)** is not efficient where the following has been used: 2-component paint or Xylene based paint.

Can also be used to remove stains and spills from the refurbishment project. Be careful. Test it first in a non-easily visible area.

Product data

Packaging size	Plastic bottle: 1 L
Generic type	Based on various surfactants.
Specific gravity	1
pH value	9
Contents	Contains: nonionic surfactants: 15-30 %

Application data

Remarks

JOTUN Penselrens (2019) should be used unthinned.

Use nitrile gloves for skin contact. The product cannot withstand frost. Use at temperatures above +10 °C.

The components in **JOTUN Penselrens (2019)** are strong so avoid long lasting skin contact. Avoid contact with eyes. In case of contact with the eyes, rinse thoroughly with large amounts of fresh water.

Application equipment / methods

Feel free to use Jordan Multitool / Roller Cleaner to remove paint from the roll before washing.

Directions for use

Wipe off most of the paint from the tool. Feel free to use Jordan Multitool / Roller Cleaner to remove paint from the roll before washing.

Pour a suitable amount **JOTUN Penselrens (2019)** into a tin/box and rub the brush cleaner thoroughly into the brush. Rinse with water.

If the brush is hard then leave soaked in **JOTUN Penselrens (2019)** for a longer period and rinse with water. In difficult cases, repeat treatment.

Brush storage: After thorough cleaning **JOTUN Penselrens (2019)** should be applied to the brush. **Rinse well with water before using the brush again.**

Store brushes horizontally.

Storage

Frost free freight and storage. In storage and in transport keep the container upright. Keep out of the reach of children.

Disposal of waste

Detergent (**JOTUN Penselrens (2019)**) must not be discharged into drains, but to a reception centre for dangerous waste.

Wash water with residues of paint and brush cleaner is to be regarded as chemical waste from households and must be delivered to a recycling station or a municipal waste facility.
