Application data

Cotton, Rag, Sponge, 3M Pad

Cleaning of painting tools

For cleaning of equipment only.

Cleaning solvent: Jotun Thinner No. 2

Product mixing ratio (by volume)

Single pack

Directions for use

Surface preparation

Shake the can before use. Apply on a dry surface with a rag or a sponge, on small areas at the time. Complete with a clean microfibre cloth.

Topcoat

RIB Shine: Refer to TDS, direction for use for the selected Jotun Yachting product.

Additional information

Do not apply the product on hot surfaces or in direct sunlight.

INSTRUCTION FOR USE:

- Shake the can before use.
- Apply on a dry surface with a rag or a sponge, on small areas at the time.
- Complete with a clean microfibre cloth.
- Let the surface dry.
- For a long lasting system, give the surface a finishing treatment with RIB Shine.

Do not apply the product on hot surfaces or in direct sunlight.

Shelf life at 23 °C

RIB Cleaner 48 month(s)

In some markets commercial shelf life can be dictated shorter by local legislation. The above is minimum shelf life, thereafter the paint quality is subject to re-inspection.

Note

This product is for professional use only. The applicators and operators shall be trained, experienced and have the capability and equipment to mix/stir and apply the coatings correctly and according to Jotun's technical documentation. Applicators and operators shall use appropriate personal protection equipment when using this product. This guideline is given based on the current knowledge of the product. Any suggested deviation to suit the site conditions shall be forwarded to the responsible Jotun representative for approval before commencing the work.

Health and safety

Please observe the environmental and precautionary notices displayed on the container.

A Material Safety Data Sheet for the product has been issued.

Detailed information regarding health and safety risks and precautions for the use of this product is specified in the product's Safety Data Sheet.

First-aid measures, refer to section 4.

Handling and storage, refer to section 7.

Transport information, refer to section 14.

Regulatory information, refer to section 15.

Please observe the precautionary notices displayed on the container. Use under well ventilated conditions. Do not inhale spray mist. Avoid skin contact. Spillage on the skin should immediately be removed with suitable cleanser, soap and water. Eyes should be well flushed with water and medical attention sought immediately.

Color variation

When applicable, products primarily meant for use as primers or antifoulings may have slight color variations from batch to batch. Such products may fade and chalk when exposed to sunlight and weathering.

Color and gloss retention on topcoats/finish coats may vary depending on type of color, exposure environment such as temperature, UV intensity etc., and application quality. Contact your local Jotun office for further information.
