Cotton, Rag, Sponge, 3M pad: Recommended.

Product mixing ratio (by volume)

Single pack

Cleaning of painting tools

Jotun Thinner No. 2

Directions for use

Surface preparation

RIB Cleaner: Refer to TDS, direction for use for the selected Jotun Yachting product.

Finish coat

Shake the can before use. Apply a thin layer of the product with a clean and soft cloth.

Remarks

Do not apply the product on hot surfaces or in direct sunlight.

Storage

The product must be stored in accordance with national regulations. Keep the containers in a dry, cool, well ventilated space and away from sources of heat and ignition. Containers must be kept tightly closed. Handle with care.

Shelf life at 23 °C

RIB Shine 48 month(s)

In some markets commercial shelf life can be dictated shorter by local legislation. The above is minimum shelf life, thereafter the paint quality is subject to re-inspection.

Health and safety

Please observe the environmental and precautionary notices displayed on the container.

A Material Safety Data Sheet for the product has been issued.

Detailed information regarding health- and safety risks and precautions for the use of this product is specified in the product's Safety Data Sheet.

First-aid measures, refer to section 4.

Handling and storage, refer to section 7.

Transport information, refer to section 14.

Regulatory information, refer to section 15.
